Community Drug Advisory Council

社區藥物教育輔導會 Community Drug Advisory Council

Established in 1985, the Community Drug Advisory Council works together with schools, NGOs and communities to prevent initiation of drug misuse, minimize drug-related harms and promote healthy lifestyle. Through our services and programs, we enhance knowledge, awareness and skills of our service users to strengthen their protective factors and minimize their risk in response to potential health harms.

With support from the Beat Drugs Fund, we are now going to launch a new project for SEN students and parents and seeking dedicated professionals with shared vision and mission to join our service team and render services with stakeholders in the community.
